

# DON'T BREAK THE BANK!

To Play: Each player will need a copy of this page. Cut out and glue together the dice. Use the coins from your piggy bank or ask a parent to borrow their coins to play this game.

Player who rolls the dice and gets the largest amount goes first. Roll the dice and cover the correct coin on the piggy bank with the matching coin. If you do not have enough coins, you can color the coins instead as you roll. Continue to roll the dice until all your coins are covered or you get the Hammer - It Breaks Your Bank - your turn is over. Now it the next players turn. When all players are finished rolling, count the amount of money you have covered in your piggy bank. The person with the most money in their piggy bank wins! Now play another round and see who wins!
