

MBT2Go: Mobile Deposit 101

Step 1: Login to MBT2Go mobile app Login to MBT2Go and click *Deposit Check* from the dropdown menu.

Step 2: Enroll accounts To enroll accounts, click *Enroll* and select which accounts you would like to enroll in mobile deposit, then click *Submit*. When your accounts are approved, they're display on the Deposit Check screen. Click *Deposit a Check* to start the process.

Step 3: Properly endorse your check All mobile deposits require the following endorsement, failure to provide all information will result in a rejected deposit:

1. Endorsement (Customer Signature)
2. Last four digits of the MBT account number to which you are depositing
3. The phrase "For mobile deposit only at MBT Bank"
4. Some checks have a "Check box for mobile/remote deposit and write financial institution line above" printed in the endorsement box. This is an accepted alternative to the written phrase.

Step 4: Follow the prompts Follow the prompts to upload a front and back image of the check. Make sure your pictures are clear and endorsement is correct. Use good lighting, and a solid background to prevent shadows. *Checks that appear blurry or altered will not be accepted.*

Once you've reviewed your information, select *Submit*. All deposits are reviewed during regular business hours and subject to approval prior to funds being made available.
